

REMARKS**Discussion of Interview**

Applicants express appreciation for the courtesies extended by Examiner Hawkins to Applicants' representative Arnold Turk during a November 23, 2009 telephone call. During this telephone call, the Examiner was advised that a Petition Under 37 C.F.R. 1.181 for Entry of Corrected Literal English Translation of International Application had been filed on November 9, 2009 including a corrected English translation of which Figures 7-12 correspond with Figures 7-12 of the International Application. It was noted that the required for corrected drawings had already been made by the submission of the corrected English translation.

The Examiner advised that Applicants need only respond to the Ex Parte Quayle Office Action by noting that the corrected English translation had been filed on November 9, 2009.

Indication of Filing of Corrected English Translation

Applicants hereby note that a corrected English translation of the International Application as filed has been filed on November 9, 2009.

Therefore, the drawings presently correspond with the specification including the reference numerals used in the specification. Accordingly, withdrawal of the objection to the drawings and allowance of the application are respectfully requested.

Response to Allowable Subject Matter

Applicants note the Examiner's Statement of Reasons for Allowance, and point out that while Applicants do not disagree with the Examiner's indication of allowability, Applicants submit that each of the claims in the present application recites a combination of features, and

that the basis for patentability of each of these claims is based on the combination of features recited therein.

CONCLUSION

In view of the foregoing, Applicants respectfully request the Examiner to reconsider and withdraw the objection of record, and allow the application

Respectfully Submitted,
Tamotsu NISHII et al.
